

### Remarks

In the most recent Office Action, a request for information was made under 37 CFR 1.105. A declaration under 37 CFR 1.132 from co-inventor Ronnie Dale Johnson is included herewith to address the request for information. As Mr. Johnson has stated that the pertinent subject matter of the claims has been invented by the Applicants as opposed to being taken from the work of another, there is no additional information including any known documents to be provided. Therefore, Applicants assert that the declaration is a complete response to the request for information, and further assert that the application is in condition for allowance.

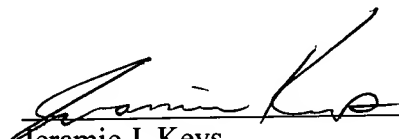

### Conclusion

Applicants assert that the application including claims 1 and 3-20 is in condition for allowance. Applicants request reconsideration in view of the declaration and remarks above and further request that a Notice of Allowability be provided. Should the Examiner have any questions, please contact the undersigned.

No fees beyond a fee for a one month extension of time are believed due. However, please charge any additional fees or credit any overpayment to Deposit Account No. 50-3025.
